TECHMEETUP
v2014

the conference

More than 15 meetup groups (meetup.uy) and tech communities are committed to the installment of the third techMeetup.uy, one of the most successful annual conferences in the country, which will take place on the **November the 14th and 15th, 2014.**

The 2013 edition accounted for more than 320 participants, professionals and IT students. 10 talks and 6 workshops were had in parallel with both local and international speakers.

You can take a look at the workshops and videos on the event's page: <http://tech.meetup.uy>.
